VISUALIZATION OF THE LOGO

Metal plate logo

Laser logo in other color

Laser logo before paint

Laser logo before paint

Laser logo after paint

Silk-screen print logo

Logo printing screen printing: the effect of smoother and cheaper logo for the wooden hook, you can offer us the Pantone CU color card number, we have regular color ink according to it. And also can make two colors and three colors print logo.

Laser logo before paint: the effect of regular logo for wooden hook, laser engraved logo before paint hook, the color of the logo will be the same for the hook paint color.

Laser logo after paint: another logo regular effect, after paint hangers, then laser engraved logo, logo will show the natural color of the wood.

Laser logo in other color: obvious effect on the logo for the wooden hook, after paint hook, laser engraved logo first, then scurb the desired color instead of the logo, such as black, white, gold and silver.

Logo metal plate: the most special logo effect for hangers, is material is metal, with gold, silver, rose gold, gun black electrolytic color, the logo effect can be engraved, embossed and hollow, very deluxe for hook and shop.

**COMPANY
INTRODUCTION**

Shenzhen Yuntong Garment Co., Ltd Accessory, also called Shenzhen Yuntong Hanger Factory, which was founded in the year 2007, is a well-known hook manufacturer in mainland China for 5 years, but we have been in this field for more than 10 years as its predecessor is Yuntong hook trading company.

As a professional hook manufacturer, we offer hook design, develop, produce service, specialize in just hangers, various types of hooks. Classified according to the material, our product range covers wooden hook, plastic hook, velvet hook, metal hook. According to the type of clothing, dress, coat and jacket, shirt, pants, skirt, clothes hangers available. Second dimension, men, women, children hook for all ages.

Specializing in display hanger, customers are mainly some fashion clothing brands from China and all the populated good product, good communication and after-sales service, bring us with a good reputation from all new and old customers.

The material for wooden hook, Euro-imported beech wood, birch wood imported from North America and pine wood from Russia, also some Chinese wood types. The paint for the wooden hook, we buy from a Taiwanese brand that is more environmental. We always passionate about the details, 80% of the techniques are finished by manual labor.

We are always trying to offer the customer with a good hook display solution, not just a commodity. What we provide is perfect hook fits your brands, personalities, not something cheap or expensive.

FAQ - -

Q: What is the main activity of your company?
