For your choice	1.The custom size and shape meet your needs 2. Color adjustable according to your needs 3. Different logo effect offered at choice 4. Interchangeable metal accessories matched to your hook 5. The special packaging mode is acceptable

PRODUCT DETAILS

FAQ

Q: Can we put our logo on the hook?

A: Yes, for all [wooden](#) and plastic hooks, you can put the customer's logo on the hook.

Q: What is the minimum order quantity?

A: Our normal minimum order quantity is 1000 pieces, but we can accept the sample order.

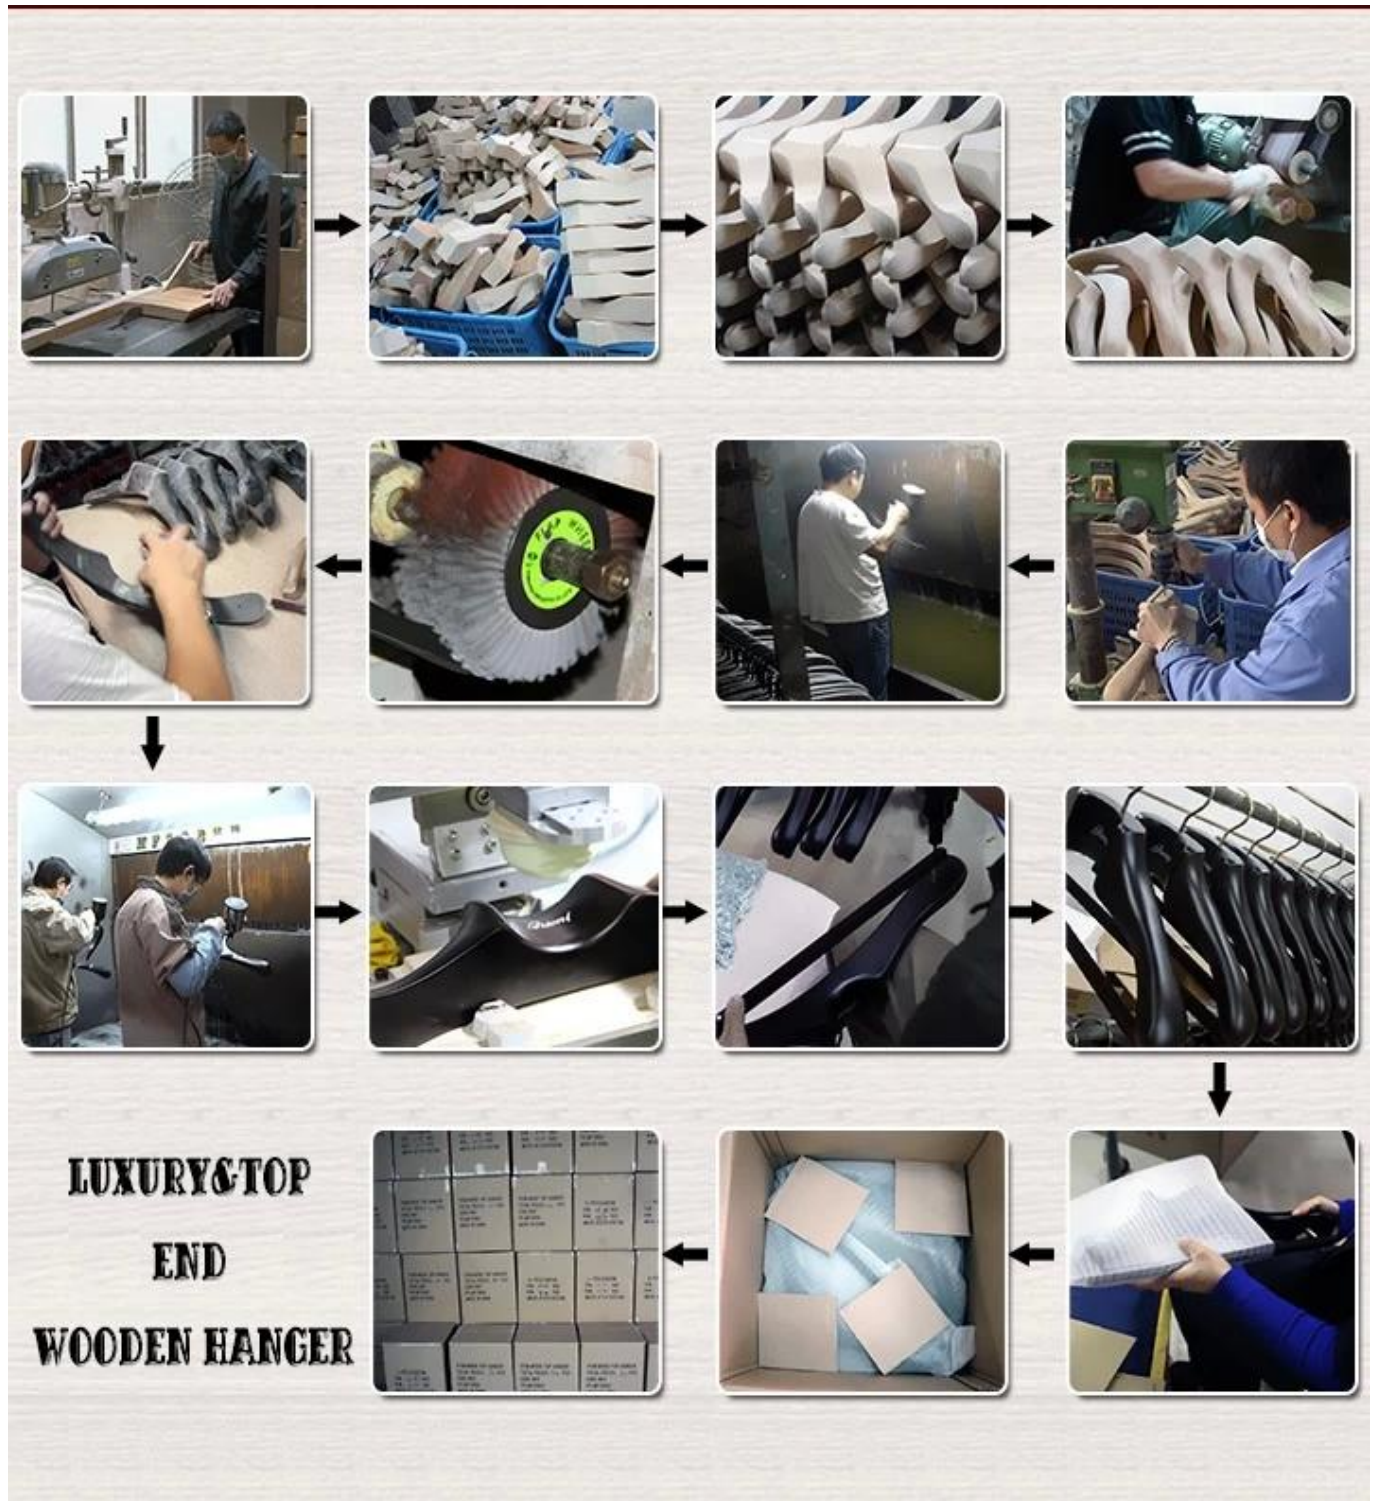

Q: How long can I get the hanger sample? And the productions?

A: it takes 7-10 days for the new custom creation sample. Normally,

Production of wooden hangers 30-45 days, depends on the quantity of the factory order and the intense season.

Production of plastic hangers 20-30 days, depends on different styles and times.

PRODUCTION OF HIGH-END WOOD HANGERS

Our wooden coat hanger can be accepted to measure. The production process has many steps.

The wood material we choose is beech wood imported in euro, lotus wood, pine wood and so on. Even the

dimensions, color, logo and design of the hook are changeable, the details of the hook are your choice.

In the production of hangers, the paint is very important. Before attaching the paint, it is necessary to adjust the color first, so that it can be colored as desired. Our production department uses Taiwan famous Taiho Paint paint brand for luxury and high-end wooden hanger, our workers paint each hook one by one, 2 times of lining and 2 times of lining, the hook surface is very much smooth and olfactory.

Our service goal: produce only the best hook, reject the low quality hook!

HANGER PACKAGE

PE Foam Bag

1pc Hanger with 1pc Bag

K=K Carton with Shipping Mark

Place Layer by Layer

1. Pack each wooden hanger with a suitably sized PE foam bag.
2. Place 2 layers (top hanger and coat hanger) or 4 pieces (hanger) each layer.
3. Place the hook layer by layer in the customized K = K carton
4. Print or write a shipping label outside the package, to usefully distinguish the goods in transit.

HANGER LOGO

Usually, our wooden hanger can accept printed logo, laser logo and metal plated logo.

The effect of the laser logo is the best.

this one, we put the hanger paint first. then laser, and brush the other color.

This is first of all the hook, then the laser logo.

Next we will brush the other color (as your request) on the logo.

this one, we laser before paint on the hanger, then paint the logo is the same as the hanger color.

This is the laser logo before painting the hook.

The color of the logo will be the same as the color of the hook.

this one, we paint the hanger first,
then laser logo without color, it's
natural wood color.

This is first the hook to paint, then the laser logo.

The color of the logo is the color of natural wood.

We will do this as your request.
