HANGER LOGO

Usually, our [wooden hanger](#) has laser logo, print logo and metal plated logo.

The most common is laser logo.

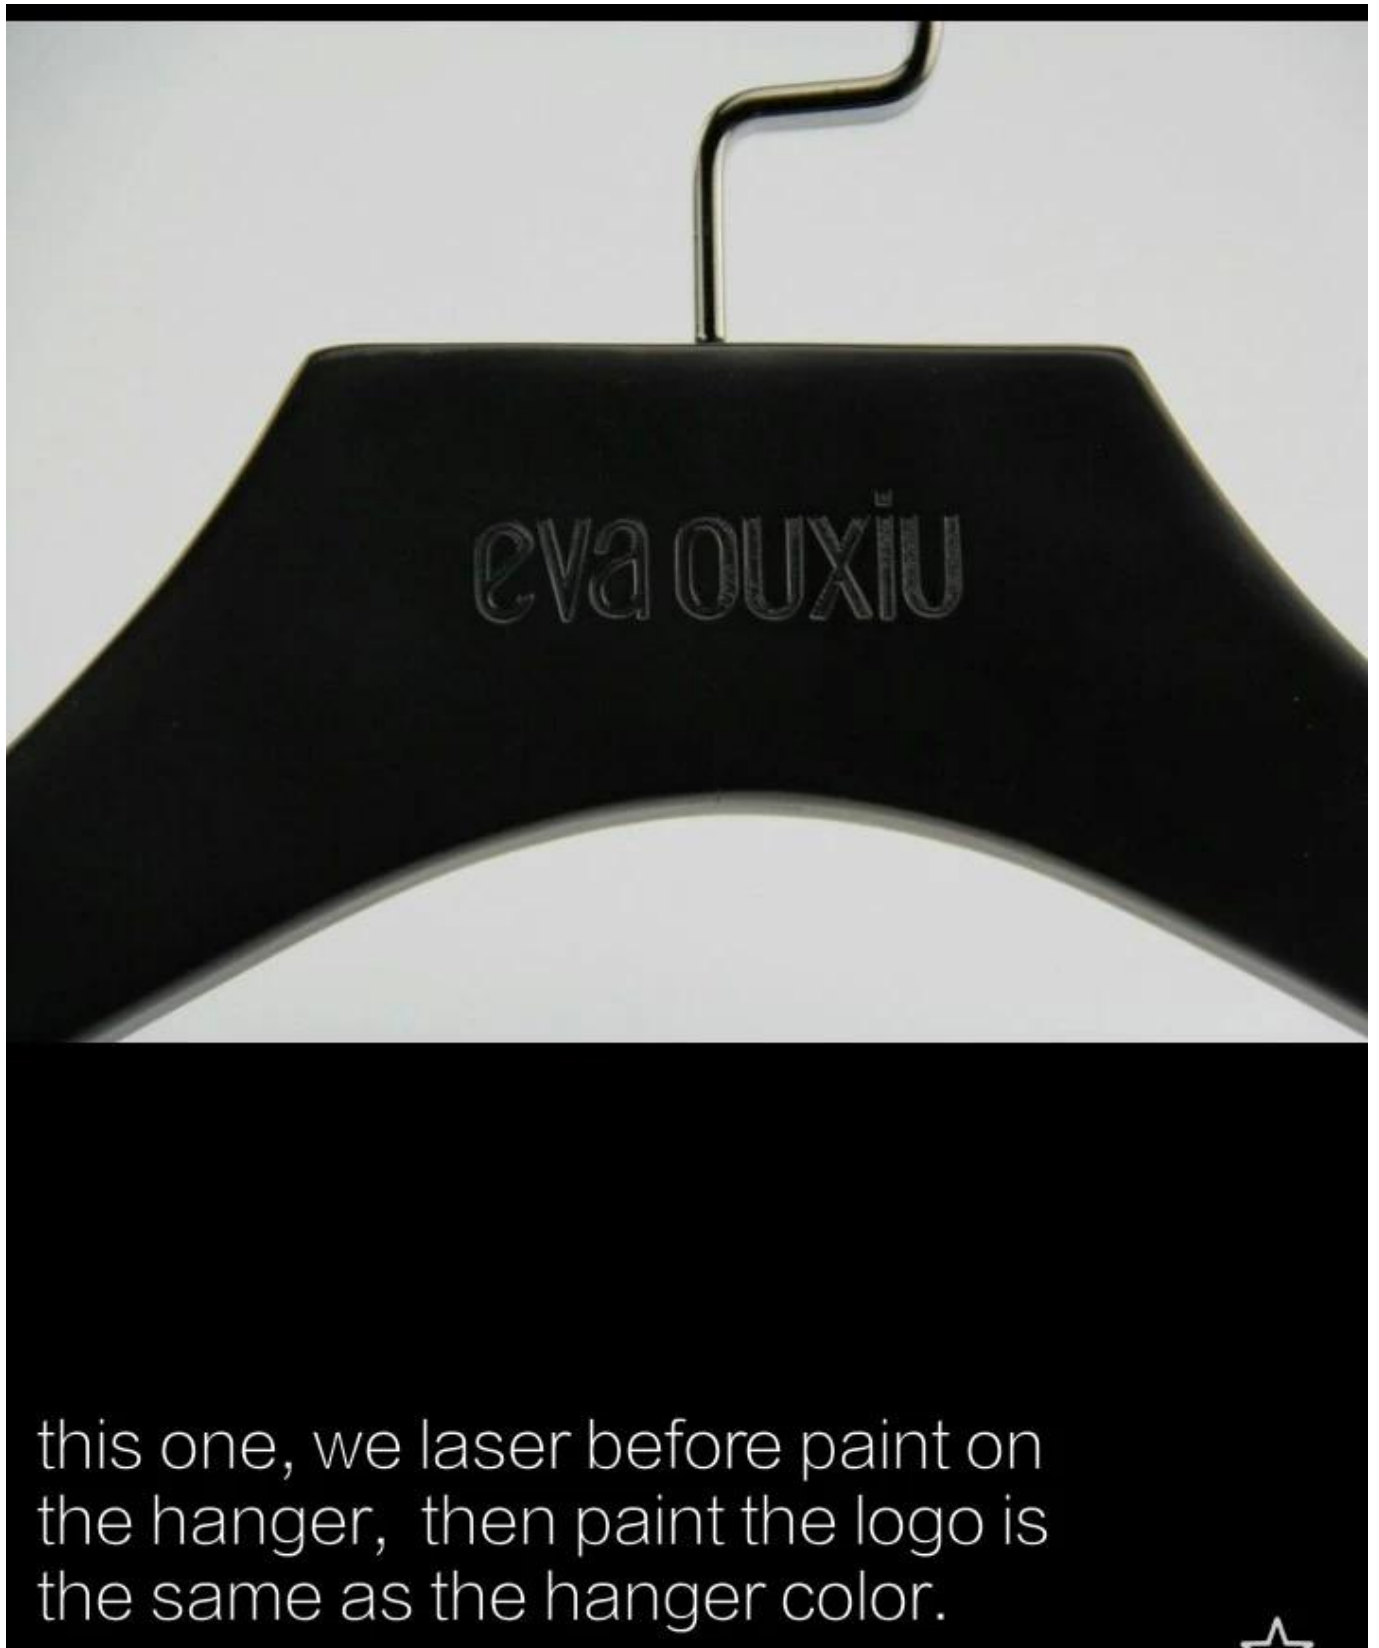

About laser logo, we also have three methods. Please see the pictures as following.

this one, we put the hanger paint first. then laser, and brush the other color.

It's painting hanger first, then laser logo. Next, we will brush the other color on the logo.

this one, we laser before paint on the hanger, then paint the logo is the same as the hanger color.

It's laser before painting on the hanger, then the logo color is same as hanger

color.

this one, we paint the hanger first,
then laser logo without color, it's
natural wood color.

It's painting hanger first, then laser logo. So the logo color is natural color.
