Clips

We used the high quality metal hook and clips to your pendant, with iron material, different galvanic surface color effect, make it for rust.

The shape you can chose: round shape, it can with beading or no, and the upper part can be kept or not; round flat shape; square shape; square round shape; and special long square shape, or other more custom shape.

The beautiful color that you can use for the metal accessory, the normal color: shiny silver color, we call it also chrome color; also, we call the nickeling color matte color; gun black color, the color is black but very Sheen; ordinary black color. The special color: matte black bolor, we call the dusty black color, the surface does not need any brightness, and it's not galvanizing effect, it is dyed effect; Ordinary golden color, dark golden color Rose Gold color, Champagne gold color and bronze color ...

Our regular package

Suit different pendants with various suitable bag, rubber coated hanger and regular plastic pendant with transparent plastic bag, Velvet pendant with PE foam bag, and pendants in the custom K = K size carton, shipping with your brand.

Logo display

We can add your company name on the hangers, and with the effect of the logo you want. Most regular logo effect for plastic hanger is print, support one color print and color printing two or more color. The effect very nice logo silver hot stamping and gold hot stamping, it is usually the matched with metal accessories, make the pendant more fashion, and the logo clearly. Plastic sheet or special metal plate logo is very luxurious for plastic material pendant, make the whole pendant looks more luxury.

Different types of hanger

Many customers want the plastic pendant with the different surface effect, to meet their need to make more. Such as velvet surface effect more for women dress up non-slip, and galvanized surface effect to the style of the shop and rubber coated surface effects suitable for man garment and baking surface effect suitable for everyone.
