LOGO EFFECT FOR REFERENCE

Logo

metal plate logo

printing logo

engrave logo(no painting)

engrave logo(painting)

-Print logo: need to open new logo mold, with sick-screen effect, after hanger paint complete, print the logo in the hanger head.

-Engraved logo: for the style logo effect, it is divided into two cases, one is engraved logo before paint, the logo also will be painted when paint whole hanger, let the logo color same to the hanger color. Another is engraved logo after paint, let the logo color is the wood natural color.

-Engraved logo in other color: the type logo craft can make logo in other color, except natural color. After paint hanger and engraved logo, scrape with other color or ink, such as gold, red, blue, black, white, and so on.

-Metal plate logo: the most special logo effect, iron material, with color electroplated surface effect, the logo effect have embossed, debossed, and hollow out for your choice.

TOP END WOODEN HANGER PRODUCTION

Our top end wooden hanger is hand craft, produced according to customer's all details, include shape, size, color, metal accessories, logo effect, package. If you have your personalized hanger design, pls send us, we will help you make it true. Our production department paint the top end wooden hanger with Taiwan famous paint-

Taiho Paint, for 4 times, after 2 times undercoating is the 2 times topcoating, one by one, hand paint, make the hanger surface very very smooth, you can touch and smell. The all top end hand craft make hangers very luxury, make them belong to artware.
