**QUESTION**

QUESTION: List the different types of clothes hangers and their characteristics.

- 1) Velvet hangers: Soft and non-slip, ideal for delicate fabrics like silk and fur.
- 2) Electroplated hangers: Durable and shiny, often used in hotels and retail stores.
- 3) Common plastic hangers: Affordable and lightweight, but can be slippery.
- 4) Rubber coated hangers: Provide extra grip and are resistant to moisture.
- 5) Limitation wood grain hangers: Eco-friendly and sturdy, but may warp over time.
- 6) Wooden hangers: Classic and durable, but require regular maintenance.
- 7) Velvet hangers: Soft and non-slip, ideal for delicate fabrics like silk and fur.
- 8) Electroplated hangers: Durable and shiny, often used in hotels and retail stores.

**ANSWER**
